LEADERSHIP UNDER FIRE TOUR: LIBERATION OF HOLLAND May 2 - May 10, 2020

Each May, citizens of The Netherlands pause to remember and show their immense gratitude to Canada's military for sacrificing so much for their freedom and liberating Holland during the Second World War. May 2020 will be particularly special as the world will mark the 75th anniversary of the end of WWII.

Where will you be to honour the courage, dedication, sacrifice and triumphs of the Canadian military in the liberation of Holland?

Join True Patriot Love Foundation on an unforgettable journey to the Netherlands to commemorate this key milestone in world history and learn from the thousands of examples of service, sacrifice, leadership and heroism that stemmed from the largest and most devastating war in human history.

“Participate, along with the Dutch, in the ceremonies of liberation and get emotional with us as the mournful sound of bagpipes drifts across the meticulously maintained cemeteries where almost 8,000 of Canada’s sons rest for eternity. Stand in the footsteps of leaders and work through their incredibly difficult decisions under the most brutal circumstances. Join in the opening ceremonies of the Invictus Games, where wounded and injured veterans inspire through sports. Meet our present-day veterans, hear their stories and cheer their arrival into the arena of competition and be proud to say ‘I am Canadian.’”

- Former Chief of the Defence Staff for the Canadian Armed Forces, General (retired) Rick Hillier
